section 2.2.3

its just about 4 pages

and a good summary of the proposed operation

(as originally proposed- has changed substantially since byut they haven't revised it

Jessop, Carter [4:31 PM]:

and in case it's ever helpful, here's the whole Rosemont MPO. This is the "official" (aka original from 2007) from the company's website. FS/Rosemont has interpreted things oddly so they have never revised the MPO and would do so after NEPA is finished. http://rosemontcopper.com/mpo_official
